Forward-Looking Statements

This press release may include statements that constitute forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. These risks and other factors include, but are not limited to, those described under the caption "Risk Factors" in our most recent Annual Report on Form 10-K and in our other filings with the Securities and Exchange Commission. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "could," "expect," "plan," "anticipate," "believe," "estimate," "predict," "intend," "potential," "might," "would," "continue" or the negative of these terms or other comparable terminology. Actual results, level of activity, performance or achievements may differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements, and these differences may be material and adverse. EPAM undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable law.
