

## EPAM Enters Top 50 on CRN's 2014 Solution Provider 500 List

July 10, 2014 1:00 PM EDT

**Newtown, PA - July 10, 2014** - EPAM Systems, Inc. (NYSE:EPAM), a leading provider of product development and software engineering solutions known for its award-winning Central and Eastern European global delivery platform, today announced it has been named to the 2014 Solution Provider 500 (SP500) list by The Channel Company's [CRN](#). The list ranks the top revenue-generating technology integrators in the U.S. and Canada whose forward-thinking approach to the channel has helped them evolve and thrive in today's cloud and services-driven IT era. The list spans eight categories from hardware and software sales, to managed IT services. EPAM Systems placed #50 out of 500 in the annual ranking.

"Top 50 ranking reflects the increased emphasis that clients put on EPAM's focus areas," said Arkadiy Dobkin, EPAM CEO & President.

"Organizations, both in North America and worldwide, increasingly look for partners able to close the gap between rising customer expectations and speed to market. We work with companies in Financial Services, Media, Retail, Travel and other digitally disrupted industries to help them close this gap. The combination of our award-winning global delivery platform and our ability to holistically address complex challenges in technology fuels the growth of both EPAM's and our clients' businesses."

"The annual Solution Provider 500 represents those companies that truly understand the needs of customers today as the IT landscape evolves," said Robert Faletta, CEO, The Channel Company. "With so many options, this list has become an invaluable resource for vendors working hard to navigate the solution provider community and identify the best partner for their business. We congratulate the featured solution providers and look forward to covering their continued success."

A sampling of the 2014 SP500 list is featured in the June issue of CRN Magazine and is featured online at [www.crn.com](http://www.crn.com) and in the CRN Tech News app, available for [iPad](#) and [Windows 8](#).
