Total	17,175,744		\$221,142,774.56	\$25,342.96

- (1) In the event of a stock split, stock dividend or similar transaction involving the Registrant's common stock, \$0.001 par value per share ("Common Stock"), the number of shares registered hereby shall automatically be adjusted in accordance with Rule 416 under the Securities Act of 1933, as amended (the "Securities Act").
- (2) Represents 733,808 shares of Common Stock available for future issuance under the 2006 Stock Option Plan, as amended (the "2006 Plan"). As of January 11, 2012, these shares are also available for issuance under the 2012 Long Term Incentive Plan (the "2012 Plan"). In addition, this number also represents 6,595,136 shares subject to outstanding awards under the 2006 Plan as of February 7, 2012. The 2006 Plan will be amended and restated as of the closing of the Company's proposed initial public offering and no new awards will be made under the 2006 Plan after such time. However, outstanding awards granted under this plan continue to be governed by its terms.
- (3) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(h) under the Securities Act. The Proposed Maximum Offering Price Per Share is the weighted average exercise price of outstanding awards granted under the 2006 Plan and the shares remaining available for issuance under the 2006 Plan (for which the Proposed Maximum Offering Price Per Share is the high point of the range of the public offering price in the Registrant's proposed initial public offering) (rounded up to the nearest cent).
- (4) Represents shares of Common Stock authorized for issuance under the 2012 Plan. To the extent outstanding awards under the 2006 Plan expire or terminate for any reason prior to exercise or would otherwise return to the share reserve under the 2006 Plan, the shares of Common Stock subject to such awards will instead be available for future issuance under the 2012 Plan. See footnote 2 above.
- (5) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(h) under the Securities Act. The Proposed Maximum Offering Price Per Share is the high point of the range of the public offering price in the Registrant's proposed initial public offering.
- (6) Represents shares of Common Stock authorized for issuance under the 2012 Non-Employee Directors Compensation Plan (the "Directors Compensation Plan").
- (7) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(h) under the Securities Act. The Proposed Maximum Offering Price Per Share is the high point of the range of the public offering price in the Registrant's proposed initial public offering.

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents are incorporated herein by reference:

(a) The Company's Registration Statement on Form S-1 (Registration No. 333-174827), as originally filed by the Registrant on June 10, 2011, and subsequently amended.

(b) The description of the Company's share capital which is contained in the Company's Registration Statement on Form 8-A (Registration No. 001-35418), dated February 3, 2012, including any amendments or supplements thereto.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") after the date of this Registration Statement and prior to the filing of a post-effective amendment that indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, are incorporated by reference in this Registration Statement and are a part hereof from the date of filing of such documents; except as to any portion of any future annual or quarterly report to stockholders or document or current report furnished under current Items 2.02 or 7.01 of Form 8-K that is not deemed filed under such provisions. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the Registrant. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. Article 8 of the Registrant's third amended and restated certificate of incorporation, which will be in effect on the closing of the Registrant's proposed initial public offering, provides that the Registrant must indemnify its directors and officers as well as directors or officers of another corporation, partnership, joint venture, trust or other enterprise serving at the request of the Registrant, and may indemnify its employees and other agents, in each case to the fullest extent permitted by the Delaware General Corporation Law.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends or unlawful stock repurchases, redemptions or other distributions, or (iv) for any transaction from which the director derived an improper personal benefit. The Registrant's third amended and restated certificate of incorporation, which will be in effect on the closing of this offering, provides for such limitation of liability.

The Registrant maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act, and (b) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

The Registrant has entered into and will in the future enter into indemnification agreements with each of its directors and executive officers. These

agreements provide that the Registrant will indemnify each of its directors and such officers against expenses and liabilities to the fullest extent permitted by Delaware law and by its certificate of incorporation or bylaws. These agreements also provide, subject to certain exceptions, for indemnification for related expenses including, among others, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this registration statement; and

(iii) To include any material information with respect to the Plans not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions referenced in Item 6 of this Registration Statement, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the

Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
